### Q&A

**Do I need to bring a racket?** Players should bring their own racket, if they have one. Loaner rackets will be available upon request.

**What should I wear?** Campers should wear any type of sneaker – cross-trainer or tennis shoes are best.

**Should I bring food/water?** Bring plenty of water each day.

**Can we sign up for more than 1 session?** Of course! Attending more than one session will allow your child to advance his/her skills in less time.

**What if my child misses a day?** Unfortunately, we can't provide make-up days without prior approval before the day is missed. We don't want to compromise class size.

If your child has allergies, please note that on the registration form.
